

Ultra-rapid charging Delta UFC

Ideal for public car parks
and short stays.

- **Speed:** Up to 200kW
- **80% charge** in < 20 minutes*

*based on 60kWh battery and 20% starting charge level.

Simultaneous
charging up to 4
EVs at once

22kW AC
socket

Future-proof
upgradable modular
design

7" interactive
display

Access with
Charge Card,
App/Driver Portal

Contactless
enabled

Input & Output

Input volume	3-phase: 400v AC
Input frequency	50Hz / 60Hz
Output voltage	< 1000v DC 400v AC
Max output power	150kW (DC); 22kW (AC)
Max output current	CCS2: 400A CHAdeMO: 125A Type 2: 32A (socket); 63A (tethered)

Work environment

Protection degree	IP55
IK protection	IK10
Environment temperature	-25C to +45C

Protection

Over current	Yes (integrated)
Over/Under voltage	Yes
Short circuit	Yes
Ground and Isolation monitoring	Yes

Function & Accessory

Ethernet/Cellular	Yes/Yes
Communication	OCPP1.5, OCPP1.6J, upgradable to OCPP2.0
Connectors	CCS2, CHAdeMO, Type 2 AC socket
RFID	Yes
Contactless	Yes

Mechanical

Dimensions (H/W/D)	2079 x 852 x 998
Weight	approx. 500kg
Charging cable lengths	2.5m, 3.5m, 4m, 5m)
Cooling system	Forced air
